

## "Joel 2, Part 3" Sam Burlison, August 27, 2023

Connect with each other in joy and concern

**As time allows, general conversation about the sermon is welcomed.**

Discussion Questions

**Around the circle: (A question to get everyone talking and involved)**

What boundaries in your life are you most comforted by? Why are you comforted by them and why do you preserve them?

**Select Few: (Questions designed for a few group members to offer personal experience or vulnerable insights.) Opener:**

- Name a time that you have been ostracized because of bounded set group that you weren't a part of?
- Where do you see a bounded set reality most at work in our world? What is the impact of this group on our society?
- Where is the greatest opportunity for you to work for a centered set reality?
- What difference would a perspective like this make in the world as we know it?
