Discussion Questions

Around the circle: (A question to get everyone talking and involved)

When it comes to your happy place, do you rest in nostalgia or dive into future dreams?

Select Few: (Questions designed for a few group members to offer personal experience or vulnerable insights.) Opener:

- What parts of your past are difficult for you to wrestle with? What aspects of the future cause anxiety for you?
- When you consider your future, what do you want it to look like? What are you willing to do to get there?
- Name a time that you have been a victim of, or been guilty of, the “whatever it takes” attitude that was found with the Egyptians.
- Name a time that you have been a victim of, or been guilty of, the “no matter who it hurts” attitude of the Edomites.
- If what we need is discovered in what we already have, what are life’s greatest assets already at your disposal? How can you use them more effectively for God’s purposes?
