Connect with each other in joy and concern

As time allows, general conversation about the sermon is welcomed.

Discussion Questions

Around the circle: (A question to get everyone talking and involved)

What do you believe is the primary characteristic or attribute of God? Why?

Select Few: (Questions designed for a few group members to offer personal experience or vulnerable insights.)

- God's nature is participatory; how are you responding to the invitation to participate in life and work of God in the world?
- Who or what causes fear in your life? What insights about God help you to combat that fear?
- How do you seek the "face" of God? When or how has God revealed himself to you over the course of your life?
- Where can you identify your own "imperfections" and how might they help you experience connection with God and others?
- The most common trine formula is Father, son, Spirit.
- What names for each person of the trinity best encapsulate your own understanding of God?
