Discussion Questions

- Pastor Sam began his story with the Trolley Problem. How would you respond if faced with the 2 dilemmas that he placed before us? What is the difference between the two scenarios? Did you find it difficult to make a decision here? If so, why?
- Talk about a bad decision that you've made in life. What made that decision bad? And what consequences followed after?
- In what area of life are you most tempted to play the blame game? (home, work, school, politics, etc.)
- Nineveh was always the one to blame in Jonah's world. Who are the groups of people that you find yourself blaming in life?
- Jonah needed to face the whole problem before he could face the part he played in the problem. Name a time where this has been true in your life.
- Is there an object of blame in your world or our society that is being siloed and needs to be shared?
- What area of life do you need to ask more questions before leveling more accusations?
- Where can you offer confession that leads to transformation in a conflict that you are currently dealing with?
