Discussion Questions

Closing Prayer

Questions to guide your discussion;
As time allows, welcome general
converation about the sermon

-
- **Around the Circle:** A question to get everyone talking and involved
 - When have you felt pressure (good or bad) in your life lately?
 - **Select Few:** A question for a few group members to offer personal experience or vulnerable insights.
 - Read Colossians 3:8-10 and the caution around mental certainty. What is one quote/concept/mantra that has been a focus for you? In what ways, if any, has this idea led to action?
 - Read Colossians 3:11-13 with regard to ritualistic safety. What rituals give you comfort and confidence that God is with you and you are in relationship with him?
 - Humanity has opted for symptom management instead of life-long transformation and healing. What symptoms are showing up and shining a light on opportunities for inner transformation (aka healing)?
 - **Dig Deep:** A question that may/may not be answered in session, but should be encouraged for people to wrestle with all week.

In what ways would you describe your life as impressive? In what ways is it expressive of God's characteristics?

Explore what you know/believe to be true about God, what aspects of God remain invisible or unseen to you?
