Engage Discussion Questions

Closing Prayer

Discussion Questions:

*as time allows, general conversation about
the sermon is welcomed*

Around the Circle: *A question to get
everyone talking and involved*

- **What do you hope your body/state of being is like in the resurrection** of the dead that is to come? (Have fun sharing!)

Select Few: *Questions designed for a few
group members to offer personal
experience or vulnerable insights.*

- How do you do routinely **celebrate** the good news? What do you do to **participate** and perpetuate the good news?
- **How have you experienced God's sanctifying grace recently in your life?** In what ways can you see growth and maturity in your love of God and others?
- **How might we distinguish the perishable from imperishable in our lives?**

Dig Deep: *A question that may or may
not be answered in session, but should
be encouraged for members to wrestle
with all week.*

- **What would your life be like if the only thing you obsessed with was faith, hope and love?**
