Discussion Questions

Why is that the case?

Select Few: (Questions designed for a few group members to offer personal experience or vulnerable insights.)

Where do you find God's wisdom unfolding in your life?

What's the difference between wisdom and knowledge? How might both be beneficial? How might they be detrimental?

If wisdom is "always working in the world" then what stands in the way of us accessing it?

One translation says: The instruction of the Lord is all encompassing, restoring life. How has your attentiveness to God helped to restore your life?

What actions in your life are evidence of connection and communication with God?
